

DEFENSIVE LINE EAST OF WARSAW HAS BEEN PIERCED

Preparation Made to Move Government.

(By The Associated Press.)
Warsaw, Aug. 6.—(9 p. m.)—The defensive line east of Warsaw has been pierced in several places according to reports from the front. Preparations have been begun for transferring the government if that move is necessitated by the Russian advance. The office of the Russian advance forces will be checked some miles east of the Vistula.

No announcement has been made as to what place the government will move to but it is reported it would be Posen or Czestochowa 143 miles southwest of Warsaw near the Silesian frontier.

Of the developments along the eastern defense line the word from the front shows that after a halt of several days while reinforcements were brought up and supplies forwarded along the river the Bolsheviks forced crossings of the Bug at a number of places. At one point southwest of Ostrov the soviet troops are reported to have crossed the river in large numbers.

Tonight's communique from headquarters announced that the Russians had forced the Bug in the region of Drohiczyn (about 70 miles east of the capital) this being a part of the soviet movement to outflank the defenders of Warsaw and push on to the Vistula.

The Poles counter attacked and fierce fighting is continuing.

U. S. LEGATION CLOSING

(By The Associated Press.)
Warsaw, Aug. 6.—(8:30 p. m.)—Owing to the desperate situation on the front nearest Warsaw the Kosciuszko squadron the air force composed of the most part of Americans attached to the Polish army is being transferred from the southern front. The squadron will aid in the defense of the Polish capital.

The American consulate in Warsaw will be closed Friday and Consul Rankin is making preparations to depart Friday night. Most of the records already have been shipped.

The American legation here also is prepared to close within a very few days. The legation employees have shipped their baggage to Camp Grappe, the emergency headquarters of the American typhus expedition.

GET SOVIETS' REPLY

LONDON, Aug. 6.—Leo Kamenoff of the Russian soviet delegation here has given Premier Lloyd George the soviet government's reply to Great Britain's note of Tuesday with regard to the delay in armistice negotiations between Russia and Poland.

Kamenoff's statement declares the soviet government demands that the terms of the armistice include reasonable guarantees which would prevent attempts on the part of Poland to use the period of the armistice for the renewal of hostile acts.

The operations of the Kosciuszko squadron will be begun in its new field within two or three days. Meanwhile bullet-battered tanks which saw service in the great war rumbled through the streets of Warsaw today on the way to engage the Russians. The arrival also began of 70 millimeter guns which the French used against the Germans on the western front.

Think Germany In Collusion

London, Aug. 6.—While the actual military situation in Poland is not much clearer than it was yesterday it is admitted to be critical.

Most newspapers express great anxiety over the situation this morning. Reports that the British government has already ordered the fleet to resume the blockade of Russia which was partially raised last November received great emphasis in some journals but no official sanction is claimed for the statement. It is asserted that notwithstanding the fact that the cabinet had not yet considered the reply of the soviet government relative to an armistice with Poland it has been determined to send the Kamenoff-Krasin trade delegation back to Russia.

Moderate newspaper opinion reflects the impression that the tone of the reply is reasonable and cannot be objectionable in official quarters. Suspicion on that Germany is acting in collusion with the Bolsheviks persists and it is not lessened by reports of the address made by Dr. Walter Simons German foreign minister before the Reichstag yesterday during which he declared Germany would seek to prevent the entrance from sending troops to Poland across Germany.

MUSQUAKIE INDIANS IN CELEBRATION

Tama, Ia., Aug. 6.—The annual Musquakie Indian celebration for good crops and food for the coming year yesterday afternoon continued today. Feasting, dancing and the ancient rites and customs of the Indians marked the ceremonies.

Governor W. L. Harding who has promised to sing and dance with the present Saturday Indians from Oklahoma, Nebraska and Wisconsin also are present.

Chicago, Aug. 6.—Leroy Green, a negro burglar in the county jail was identified today by David L. Luke, West Virginia wood pulp and paper manufacturer, his wife and daughter as the man who forced his way into the manufacturer's mansion at Terry, town, N. Y. on July 17, looted him in his room, wounded his daughter, terrorized his wife and forced her to unlock the family vault containing \$40,000 worth of jewels.

ROBERTS AND TAYLOR ARE TENN. RIVALS

Nashville, Tenn., Aug. 6.—Returns from yesterday's primary compiled by the Nashville Banner indicate that Albert P. Roberts was nominated as the Democratic candidate for governor.

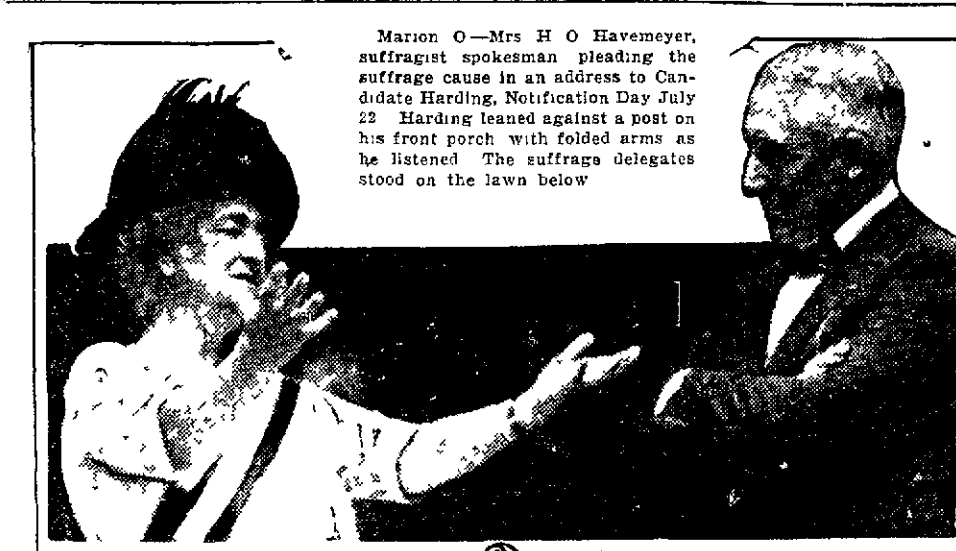

All Taylor apparently had won the Republican gubernatorial nomination. In the Democratic primary in the eighth congressional district Captain Gordon Browning a World War veteran was chosen and in the Democratic contest in the third congressional district Representative John A. Moon apparently was nominated.

Returns from the Republican contest in the first district gathered by the Banner showed a close race between Representative Samuel R. Sells and Lieutenant Carroll Reice a World War veteran.

HARDING LISTENS TO SUFFRAGE PLEA

RENEW ASSAULT ON VOLSTEAD ACT ALL IN READINESS FOR NOTIFICATION

Supreme Court Asked to Reconsider. Democratic Clans Gather at Dayton.

Washington, Aug. 6.—William D. Guthrie and Lulu Root, counsel for Christian Feigenbaum, a brewer of Newark, N. J., today filed with the United States supreme court a petition for reconsideration of the court's decision on June 7 sustaining the validity of the eighteenth amendment and parts of the Volstead enforcement act.

The petition contended that the eighteenth amendment was designed to deal exclusively with intoxicating liquors. Mr. Feigenbaum in his original suit sought to prove 2 1/2 per cent beer non-intoxicating. The latest petition pointed out the importance of the constitutional questions involved and declared that so far as ascertainable there is no record of any important modern case involving such vital questions being disposed of by a court of final resort without explaining its conclusions.

EARLY ADVANCES ARE SOON CHECKED

New York, Aug. 6.—Buying orders flooded into the market following a slump on the exchange early in the day and there was a substantial rally. Steel and oil equipments, leather shipments and investment railroads were advanced 1 to 2 1/2 with Houston Oil rising 5 points. The advance was soon checked by fresh outpouring of stocks which carried many shares to new low levels for the movement.

Epiglofe fell 7 points and Baldwin and Bethlehem Steel were also conspicuously weak. This liquidation had an unsettling influence despite the efforts to support prices here and there and the epidemic short covering. Foreign exchange rates were higher but European government obligations were mostly lower. The closing was strong.

MAYOR AND EIGHT OTHERS IN TOILS

Chicago, Aug. 6.—Mayor Harold S. New and six other saloon keepers and two bartenders of L. Mont 11 were in custody here today awaiting arraignment before the federal grand jury. They were arrested in a raid of nine saloons at Lemont. It was said today that 200 gallons of liquor had been seized.

He owned what was said to be the fifth largest art collection in America.

ROOSEVELT ENDS WORK WITH NAVY

Washington, Aug. 6.—Franklin D. Roosevelt, Democratic nominee for vice president today spent his last day as an assistant secretary of the navy at his desk at the navy department.

Mr. Roosevelt planned to send a radio message of farewell to all the ships and stations of the navy throughout the world.

Mr. Roosevelt expected to leave Washington late this afternoon for Dayton to attend Governor Cox notification ceremony tomorrow.

His own notification ceremony is scheduled to take place at Hyde Park Monday. On Tuesday Mr. Roosevelt plans to leave for Chicago to begin a speaking tour through the west.

TWO DEAD AND 34 HURT IN STRIKE RIOT IN DENVER

Street Car Strikebreakers Attacked, Plant of Denver Post Damaged.

Denver, Colo., Aug. 6.—Fear that rioting by street car strikers their sympathizers and strikebreakers which last night resulted in the death of two and injury of thirty-four persons would be resumed, was expressed in official circles today.

Citizens today were responding to a proclamation issued by Mayor Bailey calling for two thousand volunteers for patrol duty. The police were helpless last night before the mob which proceeded on its journey of destruction until it tired itself out. Reports from hospitals today indicated the injured were making progress and most of them probably will recover.

NO CARS OPERATING

No attempt had been made up to ten o'clock this morning to operate cars. Yesterday was the first day since Sunday (when the trainmen strike) that the tramway company was able to haul passengers. The cars were manned by armed strikebreakers.

H. H. Tammen one of the owners of the Denver Post said today he could not estimate damage done by the mob to the post plant.

The town is without protection said he.

The Post was issued as usual from its own plant today.

Strikebreakers at the South Denver car barns today were patrolling the yard in front of the barns with rifles on their shoulders. One hundred and fifty strikebreakers were housed in these barns which the mob set on fire last night. The two fatalities occurred in a clash at these barns.

EXPECT RESUMPTION

In preparation for possible resumption of hostilities tonight the police today prepared to mount two machine guns. Hundreds of sawed-off shotguns and army rifles were being assembled at police headquarters. Up to 11 a. m. more than 600 citizens had answered Mayor Bailey's call for volunteers.

It was planned to place the volunteers under command of Hamilton Armstrong, chief of police.

A heavy police guard surrounded the offices of the Denver Post today. Inside the building looked as though a tornado had swept through. All windows were gone.

CLOSE THEATERS EARLY

Mayor Bailey this afternoon issued a proclamation ordering all theaters to close at 7 o'clock tonight. The police department has requested citizens to remain at home tonight in the hope of preventing recurrence of rioting.

WILL ESTABLISH NINE CORPS AREAS

Washington, Aug. 6.—An order abolishing the six departments of the army and establishing nine corps areas as provided in the army reorganization act has been prepared in the war department and is awaiting the approval of Secretary Baker.

The geographical boundaries of the nine corps areas have not yet been announced. Each area would be under a major general, as are the present army departments of the country and there would be located in each four divisions. Two of these would be reserve organizations which would exist largely on paper and would be called into case of a national emergency. One division would be of regular troops and the fourth of national guard.

MUNITIONS ENOUGH FOR FIVE YEARS

(By The Associated Press.)
Washington, Aug. 6.—Soviet Russia is in possession of sufficient munitions to carry on for five years warfare on the scale of that now being conducted against Poland according to estimates made here today by military authorities.

Practically all of the stocks on hand are from supplies furnished by the allied governments to the old Russian regime during the World War.

AMUNDSEN WILL RESUME POLAR TRIP

Nome, Alaska, Aug. 6.—Captain Roald Amundsen, Norwegian explorer will leave Nome tomorrow to resume his attempt to reach the North Pole he announced today. He plans to steer his vessel the Maud for Wrangell island off the northern coast of Siberia and from that point to drift with the Arctic ice pack.

WILL GET COAL TO THE NORTHWEST

Washington, Aug. 6.—Speeding up of the coal movement to the northwest sufficiently to enable delivery of 20,000,000 tons by Nov. 1 was forecast today by officials of the War state commerce commission as a result of the return to normal conditions of bituminous mines in the central competitive fields.

FIVE KILLED IN NIGHT OF RIOTING

West Frankfort in Hands of Mob, Following Arrests for Double Murder.

West Frankfort, Ill., Aug. 6.—Following a night of rioting in which five persons are believed to have been killed and scores injured comparative quiet was restored here today. Approximately 2,000 foreigners against whom the rioters directed their attack had left town and this coupled with the arrival of 150 militiamen of the Ninth Illinois Infantry tended to bring about order.

A number of homes were burned and a pool hall was wrecked. The mob at its height numbered about 4,000 men. Foreigners fled in all directions taking what articles of property they could with them.

The rioting proper got under way shortly after ten o'clock last night and continued to nearly daybreak. At times the mob split up in sections, and it was reported that some divisions of the mob drove foreigners into nearby woods. What followed could not be learned.

The homes of many foreigners were fired and the residents were clubbed and mauled as they emerged from the burning buildings to escape death by incineration.

Troops arrived shortly before 9 o'clock this morning. The militiamen were under command of Major W. E. Satterfield of Mount Vernon and were members of Company B of McLean's Company L. Salem and Company K of Mount Vernon. Two other companies from Cairo are en route here it was reported.

The troops were stationed in sections of the town principally inhabited by those of exotic birth and instructed to protect the property abandoned by the fugitives.

Emphatic instructions that all foreigners be dispersed immediately were given the militiamen.

Witnesses to the rioting said that foreigners were beaten into insensibility. Many were stoned and trampled upon.

A press censorship was established so that it was impossible to get any direct information of the disturbances until the rioting abated today.

The trouble followed the finding of the bodies of two youths, Tony Hemphill and Amli Calcaterra in a dry creek bed near Royaltown. The youths had been heard to say they had knowledge of the identity of a hand of men believed to have committed a number of robberies in southern Illinois recently. Their deaths it is believed followed a threat they were reported to have made to divulge what they knew.

Public indignation was aroused following the arrest of Settimo DeSensis in connection with the murders of the two youths. A mob formed and stormed the jail at Marion where DeSensis was incarcerated but county officials had been advised of the mob's approach and they spirited the prisoner away.

Feeling against the foreigners was intensified when two other men believed to be Sicilians were arrested in connection with the murders.

EXODUS OF FOREIGNERS

Saint Louis, Missouri, August 6.—A general exodus of foreigners is in progress at West Frankfort, according to reports many of them fleeing with such of their possessions as they are able to carry and in some instances driving cattle ahead of them.

All foreigners have been given 24 hours by the mob leaders to leave West Frankfort according to reports and the same ultimatum is said to have been served on municipal officials.

ARREST OR SUSPECTS

The rioting started yesterday afternoon according to the message when two more suspects were arrested in connection with the double murder of Amiel Calcaterra and Tony Hemphill.

The mob hastily organizing stormed the jail demanding the prisoners. When this was refused they demanded that a committee chosen from their members be allowed to talk to the prisoners.

The authorities granted this demand and the prisoners one of whom is a chauffeur is said to have informed his questioners that he drove Calcaterra and Hemphill to Royaltown Monday in company with Settimo DeSensis who also is held in connection with the murder. The committee then withdrew from the jail and the two prisoners were hastily removed by the authorities.

ITALIAN CONSUL ACES

Washington, Aug. 6.—Count Giulio Bolognesi, Italian consul at Chicago, telegraphed the Italian embassy today that he and the vice consul were proceeding to West Frankfort, Ill., to make a personal investigation of the attacks by a mob on Italian residents of that place.

Satisfaction is expressed in Italian circles at the energetic action taken by Governor Lowden to protect the Italian residents. Whether representations regarding the attacks will be made to the state department probably will depend largely upon the final report of the consul.

More Militia To Scene Of Riot

Springfield, Ill., Aug. 6.—Five hundred more Illinois militiamen are to be sent to West Frankfort, Adjutant General Frank S. Dickson announced. He received word early this afternoon from Major Wilbur Satterfield, commanding the troops in West Frankfort that the situation is still threatening.

SPANISH CONSUL PROTESTS TREATY

Chicago, Aug. 6.—A protest against the treaty with Hungary was sent to Secretary of State Coby today by Berthold Singer, Spanish consul here and Consul General to Nicaragua, Costa Rica and Salvador.

In a seventy page communication Mr. Singer, speaking as 'an American to a fellow American' maintains the treaty is invalid under international law and threatens the extinction of an entire nation who must starve here for all the evil deeds committed by much stronger nations who have dominated their political life.

SWITCHMEN'S UNION SUFFERS SERIOUSLY

Cleveland, Ohio, Aug. 6.—The Brotherhood of Railroad Trainmen has taken over the schedules and contracts of the Switchmen's Union of North America at Buffalo which have been formally surrendered by S. E. Heberling, president of the switchmen according to information obtained from railway brotherhood offices here today. The switchmen's union for twenty-seven years a power in railway labor affairs in the east is said to have suffered seriously in the yardmen's strike.

WATER TOO HOT, MINERS STRIKE

Springfield, Ill., Aug. 6.—Four hundred miners of the Woodside mine of the Springfield District Coal Mining company struck this morning because the water in their wash-house was too hot last night. They will return to work tomorrow.

W. E. Jess, president of the company, said he had ordered the water cooled off for them but that the men themselves might have done it by turning a valve.

BEST EVER MADE

SAYS McDONALD

Gained 22 Pounds Taking Tanlac and Friends Remark on How Well He Looks.

"I'm not only feeling like a different person since taking Tanlac, but have also gained twenty-two pounds in weight," said Norval McDonald of 852 North Ninth Street, Springfield, Ill.

"My stomach was terribly upset, and after eating everything seemed to ferment, bloating me all up with gas and causing me all kinds of misery. My appetite was so poor I had to force down the little I did eat, and I was losing in weight right along. My color became very bad, and I had such awful headaches that at times it seemed like my head would just burst open. My kidneys bothered me a great deal, and my back ached until I could hardly stand it. At night I could scarcely sleep, and I was in such a weak run-down condition that at times I simply had to lay off from my work."

"Well, I consider the money I spent for Tanlac the best investment I ever made in my life, for I started improving before I had even finished the first bottle, and now, after taking three bottles, I'm enjoying the best of health again. I have a fine appetite, and as I said, everything I eat agrees with me so well that I've gained back all my lost weight and twenty-two pounds besides. My color is good and I don't have those awful headaches any more. My kidneys no longer bother me, and my back is entirely free from pain. My sleep is so sound and refreshing that I get up in the morning rested and full of energy, and my friends are remarking about how well I'm looking. Tanlac has certainly done the work for me, and I simply consider it the best medicine ever made."

Tanlac is sold in Decatur by Decatur Drug Company, in Blue Mound by W. R. Graham, in Bethany by Vaden Pharmacy, in Maroa by Smeiz-Hobbs Company, in Monticello by J. M. Donahue and in Lovington by M. M. Munch.

RETURN BODY OF SHELBY SOLDIER

Shelbyville, Aug. 6.—The body of John P. Weakley, 24 years old, the only Shelby county soldier to die on German soil, reached the home of his mother in Assumption on Wednesday and the burial services were held at the Locust Grove church in Shelby county, six miles east of Assumption, on Thursday afternoon. They were largely attended by the friends of the family and soldiers in the county.

John P. Weakley died in Coblenz, Germany, May 27, 1918. He was the son of James and Roscoe Weakley. After passing through some of the hardest fighting of the war he fell a victim to spinal meningitis. He was born in Shelby county, November 17, 1893. His father is dead and his mother and five brothers and sisters survive him.

This young man went out with a contingent from Fayette county and was sent to Camp Gordon, Ga., where he was assigned to the 26th company, 3rd replacement regiment. He left Camp Gordon for Camp Merritt, N. J., July 20, 1918 and landed in England August 5th, reaching France August 9th. He was in some of the worst of the fighting during the latter days of the war and carried himself nobly.

EVIDENCES OF ROBBERY

An interesting find was made near Trowbridge a day or two ago, and points to a theft of considerable magnitude. Bert Abercrombie who lives near Trowbridge, was driving in the neighborhood of the Charles Lindbergh farm and noticing something queer in the weeds at the side of the road, got down to see what it was. He found 136 red cotton flannel cases such as silverware is kept in. There were places for 4,836 pieces of silver. When Sheriff Will Biggs was told of the find it was rumored that the silver was in the cases, but this was not so. The cases evidently had been along the road side for a very short time, because of the fact that the weeds trampled down in hiding them were not wilted.

If this find is the evidence of a theft, it is a big one. No such robbery has been reported in this neighborhood and the number of pieces missing is too large for the silver to have been carried by any retail house in this vicinity. It is thought that the silver was stolen from a car.

NEW MANAGER

W. W. Clark of Arcola has been made the new manager of the Jones auto company of this city. Mr. Jones, who has been in ill health for some time, is giving over the active management of the company to Mr. Clark.

CHIEF FIELD AT CHAUTAUQUA.

Hon. Burnett Chipfield, candidate for United States senator in the republican ticket made the principal address at the chautauqua Wednesday afternoon, and greatly pleased his audience with his talk on present day ideals. He regretted the military honors made out of the war. The Welsh singers closed a two days' engagement Wednesday night, giving a full program.

The Chicago Operatic company gave a full program on Thursday afternoon, and the same again at night. This company always pleases and has played to many full houses at this chautauqua.

Friday afternoon promises to be one of the big days of the assembly. It is Republican day and Adjutant General Frank Dickson will make the main speech of the day. Senator McDill McCormick having wired the management that he would be unable to come. Mrs. Lucian C. Sprague of New York and Mrs. Henry M. Dunlap of Savoy will be the republican women speakers of the day.

The Friday high school will be presided over this coming year by J. S. Bailey of Sullivan, who has just been engaged by the school board. He will receive a salary of \$1,400. Mr. Bailey is a Shelby county man, the son of Mr. and Mrs. Sam Bailey of Stewardson.

JACKSON-FISHER.

Carl Jackson and Miss Ethel Fisher were married Wednesday evening at the parsonage of the Lutheran church in this city by the Rev. J. E. Keiffer. The bride is a daughter of Mr. and Mrs. Wesley Fisher, who live west of this city. For some time she has been employed in the C. W. Waggoner store and is a graduate of the popular young women clerks of the city. Mr. Jackson is the son of Mr. and Mrs. A. L. Jackson, who live west of this city. He is in the employ of the Kaskaskia Live Stock Insurance company, and is a graduate of the Sparks Business college of this city. Their marriage was witnessed by Mr. and Mrs. Arthur Runkle, who accompanied them. They will make their new home in the house already prepared in the 2500 block on West Main street.

GOES TO DECATUR.

Miss Bernice Chaney, recently graduated from the Sparks Business college, and who has been at the home of her parents in Stewardson for a couple of weeks, has just accepted a position in Decatur with the Comet automobile company. She left this city Thursday for her new work.

FIND "LOST" BOY

Paul Gelford, who disappeared from his home in this city some weeks ago, and whose disappearance caused some unhappiness by reason of the rumors of his death, has been located. He went directly from this city to Nantico and is at work on a farm near there. He will continue to remain there for some time.

That the southern part of the state can raise tomatoes was demonstrated here when Mrs. R. M. Jeffries of Thebes, who is visiting here with friends, exhibited six tomatoes she brought with her. They are fine specimens, and all on one stem, weighing just six pounds, less one ounce.

MACHINE DAMAGED

Wesley Storm had an accident with his Buick car Wednesday night and the machine is badly damaged. He says the accident happened too quickly for him to know just what happened, but that he was getting out of the way of two Ford cars that were racing about a mile north of this city. In doing so he got into a ditch, damaged. Cars have been racing since then.

WELL KNOWN ACTOR MARRIES

SAFE BLOWN AT PANA BY BURGLAR

Pana, Aug. 6.—Some time during Wednesday night or early Thursday morning, a burglar entered the office of the Carlin Jones Lumber company, and blew the safe. The safe was secured about \$15. The safe was badly shattered. Entrance was secured by raising the window on the west side. The knob of the safe was knocked off and the explosive placed in the cavity. The remnant of the fuse used to set fire to it was found on the floor. No trace was left by the burglar to give officers a clue. The hammer used was found, also a new miners pick. It is thought the work was done about 2 o'clock Thursday morning.

All the mines here were idle again Thursday. Wednesday it was expected that all would be at work. Just the cause of the new tie up is hard to learn but the miners who went prepared to work returned home with out going down.

SAFE BLOWN AT PANA BY BURGLAR

Pana, Aug. 6.—Some time during Wednesday night or early Thursday morning, a burglar entered the office of the Carlin Jones Lumber company, and blew the safe. The safe was secured about \$15. The safe was badly shattered. Entrance was secured by raising the window on the west side. The knob of the safe was knocked off and the explosive placed in the cavity. The remnant of the fuse used to set fire to it was found on the floor. No trace was left by the burglar to give officers a clue. The hammer used was found, also a new miners pick. It is thought the work was done about 2 o'clock Thursday morning.

SOCIAL NEWS

SPENCERS NOW AT CHAUTAUQUA, N. Y.
Mr. and Mrs. H. D. Spencer, Sr., who are at Chautauqua, N. Y., write that they are having a lovely time, although it has rained much there. They saw Mr. and Mrs. G. D. Thomas while there. They expect to arrive in Decatur about the middle of September. While they are away, Mr. and Mrs. H. D. Spencer, Jr., are occupying their home on West Decatur street.

Miss Anna Pegram has returned from Harbor Beach, Mich., where she has spent about six weeks. Her sister, Mrs. H. B. Sparks of Alton, and Mrs. John J. Cassitt of Lincoln, Ill., were also there. Mrs. Cassitt returned with Miss Pegram to spend a few days before returning to her home in Lincoln.

Mr. and Mrs. W. R. Essick returned Monday from their trip to North Point, Mich., a summer resort. They found the roads very rough and had to detour quite a good deal. However, the weather was lovely and the beaches very refreshing. Mr. and Mrs. Essick visited Mr. and Mrs. W. H. Wittig of Kansas City who have visited in Decatur and who have a cottage there.

Miss Frances Chenoweth entertained twelve girls Wednesday afternoon at the Country club with a luncheon. Bridge and golf were played during the afternoon.

Among the earliest of the Decatur young people to go away to school are the Misses Anna Mary Mills, Elizabeth Miller and Ruth Dearth.

FRECKLES
Now Is the Time to Get Rid of These Ugly Spots.
There's no longer the slightest need of feeling ashamed of your freckles, as Othine—double strength—is guaranteed to remove these homely spots. Simply get an ounce of Othine—double strength—from any druggist and apply a little of it at night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful clear complexion.
Be sure to ask for the double strength Othine, as this is sold under guarantee of money back if it fails to remove freckles.

AT THE PINES
The weekly motion picture show will be given at the Pines Friday evening. The pictures to be shown are "Out West" a two reel picture, a fairy story "Puss in Boots," a comedy, "A Day Off," and a Ford Educational Weekly. The women of the Community club will sell ice cream cones and cool drinks.

Group G of the boys' clubs held its regular business meeting Thursday evening and decided to discontinue the meetings until Sept. 8. Group F of the Citizens will play Findlay's ball team in Findlay Saturday.

The Pines community house will receive a new coat of moss green stain next week. Charles Pease furnished the paint at cost to the R. R. Y. M. C. A.

Personal
Mrs. L. S. Frederick and Miss Marguerite Frederick left Thursday morning for Denver, where they will spend two months.
Mrs. Harry Lesley and mother, Mrs. Emma Moore, and two sons, Francis and Frederick, left Thursday afternoon for Port Huron, Mich., where they will visit for about a month.
Mr. and Mrs. Edward Sanders of Greenwood, Ind., are the guests of Mrs. J. A. Dorsey and Mrs. W. T. Walmsley.
Mr. and Mrs. Edward Johnson and sons of Reddick, Ill., are visiting Mr. Johnson's sister, Mrs. Catherine Phillips, 1104 East Prairie street.
Miss Thelma Brannon, 1066 North Church street, left Thursday for Battle Creek, Mich., for an extended visit with Pauline Shorer, a former Decatur and Millikin girl.
Mrs. Frank West of Terre Haute, spent Wednesday and Thursday with Mrs. E. H. Brannon, 1066 North Church street.
Mr. and Mrs. E. S. Felton and daughter, Beulah, leave Friday night for a trip to Yellowstone park. They will go the northern route, via Chicago and St. Paul, and return by way of Utah, Denver, and Kansas City. They expect to be away several weeks.

UNABLE TO REGAIN FORMER STRENGTH
Husband had the flu two years ago and hasn't felt right since; had bad headaches, was constipated, no appetite, nervous and restless.
Has taken two bottles of Dreo and the change in him is wonderful says his wife.

Mrs. W. A. Moran, who lives at 328 East Condit Street, Decatur, Ill., said: "My husband, who is a mechanic with the Comet Automobile Manufacturing Company, had the flu about two years ago and was unable to get back his former strength and vitality. He had violent headaches; was so constipated his bowels refused to move unless he took strong medicine. He never seemed to care whether he ate anything or not, for everything he ate seemed to disagree with him. An inactive liver gave him dizzy spells and he was very nervous."
"After learning of the real value of Dreo he took two bottles and now he has no more of his old trouble. He enjoys his meals, sleeps fine, is never dizzy, hardly knows he has a stomach, nerves are quieted and is feeling fine in every way. I certainly feel like telling everybody about Dreo, for it has wrought a wonderful change in Mr. Moran."
The good old-fashioned roots, herbs, barks and leaves like our forefathers brewed their teas from, and raised a hardy race of people, are still recognized as the best remedies for the stomach, liver, kidneys, bowels and blood. Dreo is made from twelve herbal plants, and its action is prompt and pleasant for man, woman or child.
Mr. Williamson, the well-known Dreo expert, has headquarters at the Decatur Drug Company, to meet the local public and explain the merits of this great remedy. See him today.

Life's Lighter Hours
Mrs. Eliza Patterson gave a party Thursday at her home, 1903 East William street in honor of Miss Mabel Mahon, who will leave September 1 for her home in Vandallia. Heat Saps Power; Store up Energy

Keep digestion perfect with Dr. Caldwell's Syrup Pepsin and you will have strength to work

SUMMER is the season of vacations, of slowing up in work. And there is a good reason for it. Heat is enervating and work quickly tires. But people must work, and we should all keep ourselves in such fine physical condition that we can do our share even in hot weather.

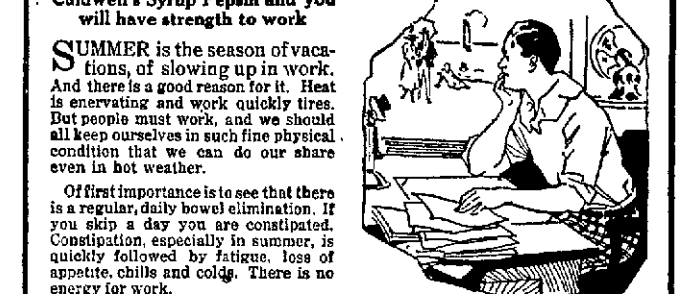

Of first importance is to see that there is a regular, daily bowel elimination. If you skip a day you are constipated. Constipation, especially in summer, is quickly followed by fatigue, loss of appetite, chills and colds. There is no energy for work.

When you feel constipated and out of sorts, more tired than you know the circumstances warrant, take a spoonful of Dr. Caldwell's Syrup Pepsin. This delightful laxative-tonic is a combination of simple laxative herbs with pepsin and can be bought at any drug store.

Syrup Pepsin will quickly relieve your constipation and give you a feeling of lightness and clear headedness.

Mr. Walter of 441 Minnie St., San Francisco, had to quit work because of constipation, colds and a train of other ills. He took Dr. Caldwell's Syrup Pepsin and promptly recovered his health and strength and is now at work again. You will make no mistake getting yourself a bottle of Syrup Pepsin and taking a little at the first sign of constipation.

FREE Millions of people of all ages suffer from occasional or chronic constipation. Let them send name and address to Dr. W. B. Caldwell, 512 Washington St., Monticello, Ill., for a free sample bottle of his wonderful Syrup Pepsin. 8 million bottles were bought at drug stores last year, the largest sale in the world.

Heat Saps Power; Store up Energy

Keep digestion perfect with Dr. Caldwell's Syrup Pepsin and you will have strength to work

SUMMER is the season of vacations, of slowing up in work. And there is a good reason for it. Heat is enervating and work quickly tires. But people must work, and we should all keep ourselves in such fine physical condition that we can do our share even in hot weather.

Of first importance is to see that there is a regular, daily bowel elimination. If you skip a day you are constipated. Constipation, especially in summer, is quickly followed by fatigue, loss of appetite, chills and colds. There is no energy for work.

When you feel constipated and out of sorts, more tired than you know the circumstances warrant, take a spoonful of Dr. Caldwell's Syrup Pepsin. This delightful laxative-tonic is a combination of simple laxative herbs with pepsin and can be bought at any drug store.

Syrup Pepsin will quickly relieve your constipation and give you a feeling of lightness and clear headedness.

Mr. Walter of 441 Minnie St., San Francisco, had to quit work because of constipation, colds and a train of other ills. He took Dr. Caldwell's Syrup Pepsin and promptly recovered his health and strength and is now at work again. You will make no mistake getting yourself a bottle of Syrup Pepsin and taking a little at the first sign of constipation.

Olympia field club with a total of 238 strokes for the 72 holes just one stroke under the score of Jim Barnes of St. Louis, who had the title for three years.

Harry Hampton of Richmond, Va. despite an 8 on the 45 yard 10th hole and C. W. Hackney of Atlantic City tied with Barnes for second place.

William Creary of Kansas City was next with 238 strokes. Sixth prize went to Eddie Loos of Chicago with 302 while George Carney of Chicago with 304, J. O. Bryer and D. Loefer of Pittsburgh with 306 each and Larry Ayton of Chicago with 307 completed the 10 prize winners.

Scoring throughout the tournament was comparatively high and the play of the leaders was erratic so that the winner was decided until the last contest. Hutchinson won the last round of the longer of the two courses used. He redeemed his chances in the afternoon play of Wednesday by setting a record of 98 for the shorter course. Four under par. He was two over par in today's first nine and came home in one under perfect figures but was still six strokes behind Hutchinson who had scored 72-13-11 for his first three rounds.

SHORT STOPS

The visitors put up a much classier game than was expected by the fans and but for the eighth inning would have returned to southern Illinois with a good showing to their credit.

Morgan at short covered a lot of ground and turned in several nice plays during the game. The outfielders played the watchful waiting policy by being set very deep in the gardens. They decided it was better to run in than to go backwards.

This watchful waiting policy robbed several of the local athletes of long hits. Avery McGlade caught one of Logan's slants in the fourth for a long ride to left but Mr. Gunn put the trigger on the old horsehide.

Woodworth and Kaufman were both able to complete the circuit on their wallops but slow work in the gardens only permitted them to be credited with three base hits. Sachet dropped a perfect relay on Woodworth's tap before he reached third while Fritz Wasson couldn't hang on to the ball in left after several efforts to pick it up.

George Halas took the batting honors of the day with four hits out

1924 OLYMPIC MAY
COME TO CHICAGO

Chicago, Aug. 6.—Everett C. Brown for years a member of the executive committee of the Olympic games who left New York a few days ago on the Lapland will extend an invitation to the Olympic games committee on August 10 at Antwerp Belgium to hold the 1924 Olympic games in Chicago at Grant Park. It was announced here today. The invitation suggests that Chicago will have one of the largest stadiums in the world at the local race track. The plan is to build a new stadium on a 130,000,000 lake front improvement plan is expected to be finished.

of five times up. His fifth effort was a tap to the visitors first sack that looked foul from the Crow's Nest.

The inner defense turned out three double plays during the contest. The last one Pahlman, to McGlade ending the afternoon's contest.

Joe's arm was not in the best of shape when he went in the box and one old timer didn't use very much stuff on the ball. Several of the visitors secured good clean wallops off him but he tightened with men on the bases.

McGlade and Halas pulled an Alphonso-Gaston stunt on Parker's fly ball in the ninth the astute dropping between them for a single. That's one place the scoring rules are defective.

Beall a new hurler from Chicago was on the Staley bench during the game. He will be given a trial by the G. B. C's Sunday in their game against the Latham-Lincoln team.

The contest was played in one hour and twenty two minutes the best time that has been made this season in the local field. Any time Joe is working you can count on a fast ball game.

R. E. Brannan physical director of the Y. M. C. A. was an interested spectator at the game. Several of the visitors played on his football and basketball teams when he coached Alton high.

Besides Halas who led the attack Mainert Woodworth Pahlman and Leach had good batting averages for the day.

Logan the youngster who worked for the visitors although touched for sixteen wallops had the old courage. He wasn't afraid to hook on with the count three and two on the batter.

PACER FALLS DURING
RACE, DRIVER HURT

Run Over By Mare Close Behind.

Clinton Aug. 6.—Between 4,000 and 5,000 people were at the fair grounds Thursday enjoying the fastest races that have ever been witnessed in De Witt county. Everything was in full swing at the grounds when a bang went the first and only accident that occurred on the local race track. The accident occurred during the 2 1/2 mile race when Elita W. stumbled and fell, throwing her driver James Wherry, of Clinton out of the cart on the track. One wheel was broken off the cart. Col. Allen who was running close behind Elita W. ran over the mare throwing his driver out of the cart who sustained a dislocated shoulder and a broken thumb. Col. Allen was withdrawn from the race but Elita W. was able to continue in the race for three heats.

Thursday's result were as follows: 2 1/2 mile, purse \$250, Dr. Brooks, first, Col. Allen, second, Billy Sunday, third, Worthing Simon fourth time, 2 1/2, 2 1/2, 2 1/2, 2 1/2. In the 2 1/2 mile trot purse \$250, Viola Bell won first place, Pihlkin, second, Red Simon, third, Ruby Pearl fourth time, 2 1/2, 2 1/2, 2 1/2, 2 1/2. The half-mile dash, purse \$50, Esther L. came in first, Gray Queen second, Balba, third, Chasley Lewis fourth time, 50%.

HAL MAHONE TAKES
SWEEP STAKE EVENT

Large Crowd Sees Good Races On Very Fast Track.

Toledo Aug. 6.—Hal Mahone won the sweep-stakes for 2 1/2 mile pacers after losing the first heat to John Henry while Great Britton won the Toledo Times 2 1/2 mile for 8 year olds. The features on Thursday's Grand Circuit racing card at the Port Miami track. The track was fast, the weather ideal and a large crowd turned out.

Arion McKinney won his first race of the season in the Grand Circuit when he took the 2 1/2 mile.

Louie Gratton won over the favorite Goldie Todd, in the 2 1/2 mile straight heats. The last quarter of the second heat was paced in 29 seconds.

Great Britton equalled the mark made by Day Star at Kalamazoo and now is tied for the fastest mile for the three year olds this year when he stepped both heats of the 2 1/2 mile in 2 07 1-4.

RACE UNTIL SUN
DOWN AT PEORIA

Takes Seventeen Heats To Finish Days Race Program

Peoria Aug. 6.—Seventeen heats strung out Thursday's program of the local race meet until close to sunset and some fast time was made by the entries in the 2 1/2 mile pace won by Hollywood Mac from Jim B. after going six heats. Harris was removed from behind Axlin by the judges for holding the horse 1/2 and Dean drove him to win the race in the final heat. The officials to replace starting Judge Holman by Doc Stone the veteran Wisconsin starter who was in the audience Judge Talbot of Peoria would not take the meet when requested to do so.

Alumni Committee to Be in Direct Charge.

Monmouth college, one of the new members of the Illinois Intercollegiate Athletic Conference has decided that now is the time to place their institution back on the athletic map. The board of trustees of the Western college institution has appointed an alumni athletic committee headed by Chet Smith a star footballer back in the days when Millikin and Monmouth met at Lake View Park in Peoria to settle their differences. The trustees realize that the best advertising a college can secure is through wholesome athletic teams.

SECURE NEW COACH

About the first thing the committee did was to engage Wilson Stegeman a graduate of the 1920 class at Chicago U. Stegeman is brother to Herman who was so successful at Monmouth several years ago.

The new coach was a member of Pages basketball team for several seasons and also played on the eleven. He should make the school a good

athletic director which is an all important part of successful teams.

At the present time Stegeman is on the road lining up prep stars through out the state and by the opening of college expects to have a number of well known athletes on the registrars books.

ALTON TEAM HAS ONE BAD INNING THURSDAY

Staleys Put Over Six Runs On Seven Hits in Eighth for 9 to 2 Win—Secure Sixteen Blows.

Mr. Staley's diamond artists were expecting a little practice tilt from the LaCade Steel team of Alton Thursday afternoon at the local ball yard, but they were surprised for even innings at least.

When the stachworkers opened their half of the eighth they had only a one run lead and a few seconds before Herman came within a few feet of tying the score when he attempted to stretch his triple to right into a home run. A good relay, Demmitt to being to Veach to McGlade made a dead rabbit out of the visiting outfielder.

After "Skipper" Lotshaw had put out a few words of encouragement to his mates they jumped all over Logan for seven bingles and six runs before George Hulas, batting the second time in the inning went down for the third out.

ORDER OF EVENTS

Hulas faced the gun with a nice line that he beat out by a step Ray Demmitt hit one toward second, the ball bounding over Wells shoulder for a two bagger. Ranney Young lined out to Morgan but McGlade came through with a single that placed Hulas and Demmitt. Lefty Fahlanm singled, sending McGlade to third. The thin boy stole second. Walter Veach lined one over third scoring McGlade and Fahlanm. Veach went to second on the throw from left and scored when "Wind" Lotshaw tripled. The old war horse rounded the bases in nothing flat. He scored on Meimert's out. The nightmar was over when Hulas grounded out to Kautman.

PLAYED GOOD BALL

Up to the eighth it was a close game of ball with the Alton team finding in good shape and making just enough bingles to worry the locals. Our first runs were produced on the third when Meimert's single and Woodworth's triple to right center which was handled poorly on the left produced two centers. McGlade and Meimert got together for the next run in the fifth. Walter singled and went to third on the "Iron Man's" blow to right. Meimert came through with a long fly to Sachet that enabled Walter to jaunt home.

HOW THEY REGISTERED

The LaCade team put out a tally in the fifth. Kautman lined one of his curves to center, the ball bounding past Meimert and stopping at the

JAPANESE QUESTION JOHNSON'S REPORT

(By The Associated Press)

Tokio, Aug. 6.—The statement of Congressman Albert Johnson at Tacoma, Wash., Aug. 2 that thousands of Japanese are smuggled into the United States from Japan yearly, is giving evidence of a tendency to increase the feeling with regard to the United States created by the arrival of the recent American note and subsequent newspaper attacks against America.

Congressman Johnson has been recently conducting an inquiry into the Japanese situation on the Pacific coast. The foreign office today made a statement saying that "details of the scheme, as outlined by Mr. Johnson, appear fantastic and most improbable."

HENSON TO FILE PETITION TODAY

Said To Have Backing Of Plumb Plan League.

Attorney James A. Henson stated Friday morning that he would file his petition as candidate for the Republican nomination for congressman from this district at Springfield Friday afternoon.

The general understanding is that Mr. Henson has the endorsement of the Plumb plan league and that he may receive the support of the local Len Small-Thompson organization.

Church Notes

The Missionary Society of the Westminster Presbyterian church held its August meeting in the home of Mrs. George Graybill, 346 West Forrest street, Thursday afternoon. The devotions were led by Miss Lois Yoder, followed by responsive reading and Mrs. W. P. Ryan led in prayer. Erna and Lera Steidley sang "Little Sunbeams." The topic for the afternoon was China and was led by Clara Graybill. A Chinese story, "Little Bag of Wealth" was read by Leola Phillips, and "Great Love" was given by Leola Phillips. A very pleasing violin number was given by Helen Ryan. An interesting personal letter from Miss Kesia Munson formerly a teacher in the public schools here but now a missionary in China was read by Miss Gladys Howard. The Home Missionary topic was the "Orientals in the U. S." and was led by Miss Gladys Bartlett. "How much do they owe" Miss Genevieve Tucker.

An offering was taken and a neat sum was given towards the church pledge. Following the meeting refreshments were served and a social hour was held.

WAR SURPLUS AT WORK.

The government plan of putting the

surplus trucks which it had left

over from the war into the hands of

counties or municipalities for street

and road work shows one way of

making the over supply of such ma-

terial which the sudden ending of the

war left on hand worth something.

Decatur gets a truck worth \$1,850,

government cost, for the payment of

\$75 and a yearly payment, as long as

the city keeps the truck, of \$100, the

city to maintain the truck in good

condition, the natural wear and tear

excepted.

In holding the city responsible for

the truck Uncle Sam makes the pro-

vision that for the first year should

the truck be destroyed or otherwise

lost, the city shall pay the govern-

ment the full cost of the truck.

But on the next year the responsi-

bility of the city drops to seventy-five

per cent of the first value or \$1,385.

On the third year the value drops

to fifty per cent or \$692 and after

that the depreciation is figured as

twenty-five per cent of the valuation

each year.

At the end of five years the city

will be responsible for a truck at

\$521. It will have paid the govern-

ment \$575 and can probably at that

time buy the vehicle for the value

made or for even less.

During all this time the federal

government keeps title to the truck

and if the machine is not properly

cared for it can be taken back and

the lease cancelled.

For Decatur, as for other hard

pressed municipalities, this was an

excellent way in which to secure a

much needed motor truck at a very

small expenditure of money.

It is a good way to utilize the war

equipment.

IT IS THE LAW.

Motorists are inclined to ignore

that emphatic "Stop" which is

placed near grade crossings on rail-

roads in many parts of the state.

The motorist who does not come to a

full stop in such places is violating

a state law, is guilty of a misde-

meanor and in case of accident on the

crossing loses all his rights.

In a recent talk made in Decatur

H. P. Tead, district claim agent of

the Wabash, said that ninety per cent

of all grade crossing accidents are

now automobile collisions but that

practically all of these could be

avoided if the driver would obey the

law which that sign stands for.

These signs, under the state law,

are placed at especially dangerous

crossings. It would be an easy thing

for a driver to give this precaution

its full value. In case of a very

dangerous crossing some one should

get out of the car to make an inspec-

tion so as to be really safe.

Mr. Tead says that if the precau-

tion which common sense and the

laws indicate should be taken are

really used there would be almost

no accidents at grade crossings.

Physical laziness, a willingness to

flirt with death rather than to take

the trouble to stop a car at a cross-

ing or to make an inspection which

will insure safety, plain every day

laziness, is the cause of all but an in-

finitesimal part of the grade cross-

ing accidents.

The elimination of the grade cross-

ing is, of course, the ideal way to

prevent such accidents but until that

time, a close observance of the rules

of prudence and the laws of safety

is the only sensible course.

DUBIOUS DIVIDENDS.

Investors and owners of securities

should not look with unmixed joy on

the dividends in the form of stock

which they are receiving these days

because of the excess profits and

high income taxes.

This "cutting a melon" is really

only giving the man who receives

the stock a lien on the future profits

of the company. It is in fact the

creation of a permanent liability in

capital stock for which the stock-

holders will expect dividends indefi-

nitely and for which dividends the

net returns on the smaller but origi-

nal capital stock is just as liable as

the new.

Cutting a melon of additional

shares of stock is not necessarily a

wise move. When lean years come,

as lean years always have a habit

of doing, that extra load of capital

stock which is hungry for dividends

will not be looked upon as the un-

mixed

blessing which the recipients now so

often think it is.

Better pay a little excess profits

or extra income tax for a few years

than to load up a business with cap-

ital stock which has been created out

of profits but which, when it is

stock, is no longer profits but a li-

ability on future gains.

That story from England that pa-

per suits are being brought in from

Germany which sell at such figures

that one a week can be bought and

still not cost the buyer more in a

year than a tailored woolen suit

might interest Americans at this

time of year. But what will become

of the cleaners when a suit can be

bought for the cost of cleaning a

Palm Beach?

Women are taking their husbands

to look over the houses which the

housing committee of the Association

of Commerce will build in Terrace

Gardens subdivisions. That means

business.

Quince Record says that Decatur

is the best in its class. He is an of-

ficial of the Denver Association of

Commerce—and he should know.

With the list of entries closed in

the primary race the jockeying for

position is now on.

Many Decatur people are planning

to have a potato for Sunday dinner.

J. E. O'HARA DIES

IN KANKAKEE

Ivesdale, Aug. 6—J. E. O'Hara, an

old resident of Ivesdale, died Wed-

nesday at Kankakee, where he was

taken for treatment several months

ago. He was one of Ivesdale's prom-

inent grocers until about two years

ago, when he was forced by poor

health to remain in his home.

Besides his wife he leaves one son

Edward, of Ivesdale and a daughter

Mayme, of St. Louis; three sisters,

Mrs. George Hannon of Decatur and

Mrs. John Butler and Mrs. Thomas

Rodgers, both of Ivesdale.

The funeral will be held from St.

Joseph's church in Ivesdale probably

Saturday morning, and interment will

be made in St. Joseph's cemetery.

Famous In A Day For Her Beautiful Complexion, Oatmeal Combination Does It

A Free Prescription Does Its Work Over-
night. You Can Prepare It At
Your Home.

Now look—it is my own discovery and it takes just one night to get such mar-
velous results. Says Mrs. Edna Wilder,
when her friends ask her about her
wonderful complexion and the improved
appearance of her hands and arms. You
can do the same thing if you follow my
advice, she says. I feel it my duty to tell
every girl and woman what this wonder-
ful prescription did for me. Just think
of it. All this change in a single night.
I never tire of telling others just what
brought about such remarkable results.
Here is the wonderful formula that re-
moved every defect from my face, neck,
hands and arms. Until you try it you
can form no idea of the marvelous change
it will make in just one application. The
prescription which you can prepare at
your own home is as follows: Go to any
grocery and get ten cents worth of or-
dinary oatmeal, and from any depart-
ment or drug store a bottle of Derwillo.
Prepare the oatmeal as directed in every
package of Derwillo. Before applying
Derwillo cleanse the skin thoroughly
with a good cleansing cream. (Laska
scent cream I have found to be the best).
The first application will astonish you.

It makes the skin appear transparent,
smooth and velvety. I especially recom-
mend it for dark, sallow skin, freckles,
tan, sun spots, coarse pores, rough skin,
shiny nose, redness, wrinkles, and, in
fact, every blemish the face, hands and
arms are heir to. If your neck or chest
is discolored from exposure, apply this
combination there and the objectionable
defect will disappear as if by magic. It
is absolutely harmless and will not pro-
duce or stimulate a growth of hair.
Since short sleeves are in vogue it is nec-
essary to have beautiful hands and arms
and no matter how rough and originally
the hands and arms or what abuses they
have had through hard work and ex-
posure to sun and wind, this combina-
tion will work a wonderful transforma-
tion. Thousands who are using it have
had the same results I have had.
NOTE—To get the best effect be sure
to follow the complete directions contain-
ed in every package of Derwillo, and it
is so simple that anyone can use it, and
it is inexpensive. That any girl or woman
can afford it. Department stores and
druggists guarantee that there will be a
noticeable improvement after the first
application and they will refund the money.
It is sold in this city at all toilet count-
ers under a money refund guarantee, includ-
ing The Decatur and the Bell Drug Co.,

lightly covered tin boxes.
Nasturtium seeds can be used in
place of capers in sauce to serve
with lamb or fish.
Pickles are given an extra piquancy
by the careful use of these spicy
seeds.
An everyday salad acquires a new
interest if a nasturtium seed or two
is added to the dressing.
MENU FOR TOMORROW
Breakfast—Stewed prunes, creamed
codfish on toast, coffee.
Luncheon—Green pea soup, toasted
crackers, radishes, brown bread, sun-
shine cherries, molasses bars, ten.
Dinner—Saltisbury steak, creamed
potatoes, string beans, lettuce salad
with combination dressing, huckle-
berry pie, coffee.

MY OWN RECIPES
When making soup of fresh green
peas, it's a good idea to cook the
peas as well as the soup. The peas
have just as sweet a taste and the
taste is all that is used in soup. As
many peas will not be needed if the
peas are also used.

Molasses Bars—1 egg, 2-3 cup
molasses, 1/2 cup lard, 1 cup bran, 2
cups white flour, 1/2 cup milk, 1 tea-
spoon soda, 2 cups coconut.
Beat egg well. Add molasses. Add
lard softened but not melted. Dis-
solve soda in milk and add alternat-
ely with dry ingredients. Add cocon-
ut. Spread very thinly in a buttered
and floured dripping-pan and bake
10 minutes in a hot oven. Cut in
bars and remove from pan.

Huckleberry Pie—2 cups berries, 1/2
cup sugar, 1 teaspoon salt, 1-3 cup
flour, 1/2 teaspoon ginger.
Mix sugar, salt, ginger and flour
with berries. Line a deep pie dish
with pie crust. About 1 tablespoon-
ful of flour should be sprinkled even-
ly over the under crust before the
berries are added. Add berries and
dry ingredients. Cover with top
crust and bake 45 minutes in a mod-
erate oven.

"FAKE CANCER CURES."

"Every 'cancer cure' advertise-
ment is a swindle.
Advertised 'cancer cures' are, gen-
erally speaking, of two classes: (1)
so-called tonic drugs for internal use
in connection with certain antiseptic
washes, or (2) 'pastes' or 'ointments'
containing strong chemical caustics.
The danger of the first is that,
while harmless in themselves, they
are useless, and by their use vitally
important time is lost while the
cancer develops beyond the curable
stage.

As for the caustic pastes, a few
reputable physicians in selected cases
use caustic applications for a certain
class of skin cancers when the pa-
tient can be under personal observa-
tion, but not otherwise.
Such pastes have an exceedingly
limited use.

When any "Professor," "Specialist,"
or "Institute" advertises a wonder-
ful "Cancer Cure," "New Discovery,"
"Liquid Laboratory Product," or "Se-
cret Preparation," even though bol-

She Turns Down Six Thousand Dollars

If you were tendered a more lucrative
position than is now your fortune to hold
—say, a full college professorship, the
opportunity of training youth in ways of

be any hesitancy in acknowledging your

Miss Jessie L. Burrall of Washington,
D. C., 1906 the opposite viewpoint. Fig-
uring chiefly among the factors in the
decision doubtless was the opportunity
for promotion and service which is al-
ready hers—as chief of the School Service,

WHEAT YIELDS 51 BUSHELS PER ACRE

Squire Crossman Makes Best Report
Of Year.

Warrensburg farmers seem to have
the best records as wheat raisers in
this part of the state. Recently a
farmer from that section of the county
reported a yield of forty-five bush-
els to the acre, and now comes the
report of a twenty-acre tract on the
Squire Crossman section yielding fif-
ty-one bushels to the acre. Other
tracts of the 200 acres in wheat on
that section were running from thirty
to forty-seven bushels. The crop
has been sold at \$2.50 to \$2 a bushel.
The land was recently bid in at a
partition sale by Crossman heirs at
\$288 an acre.

One thing about this sale that will appeal to every woman is that there
is no guessing about the values. The regular prices are printed in large
letters on every box. And those regular prices were the very lowest in the land.

The next good thing about this sale is that it embraces our entire regular stock of these Shoes—
not shoes bought for a sale, or a lot of left-overs.

If this were the usual season-end clearance sale, we could never
make such enormous reductions in our prices. It wouldn't be nec-

than clearance. It is aimed to break down outrageously high prices
that are not only putting dents into our
pocketbook, but hurting every merchant's
business as well.
That is the big idea back of this sale,

Open Aug. 20.**The Warrensburg Canning factory
is being overhauled and cleaned pre-
paratory to opening about Aug. 20.
There may be a short run about Aug.
15 but it is not expected that the
main crop will be ready until about
Aug. 20."We have 1510 acres of corn," said
S. D. DeMotte, manager Friday.
"What we need now is a good rain.
Of course we will have a fair crop
of corn but a good rain now will in-
crease the yield from 25 to 50 per
cent and make it of much better
quality."Machinery is now being cleaned
and put into condition. Nothing is

Those will be held every other Saturday the first
one being Saturday of this week Aug. 7.**WOMEN COMPLAIN
OF BAD PEACHES****Say Samples Unlike Real

are up in arms and the other party
to the war would have a hard time
arranging any armistice. The offend-
er was a peach peddler and he has
made conditions such that it prob-
ably will be hard sledding for any
peddler in that vicinity for a time.The peddler in question had peaches
to sell at \$2.50 a bushel. Housewives
grabbed at the chance and bought
anywhere from a half bushel up to
two bushels. The peddler on making
the sale exhibited several peaches
broken open and that had a fine
inside look. But the others when de-
livered were unusable.They appeared all right on the sur-
face but on the inside, they were
said to be absolutely rotten. Some
threw them into chicken yards. Fi-nally some of the ladies dug holes
and buried them. A few purchasers
paid by check and as soon as they
found out the true condition of the
peaches, stopped payment on the
checks. One woman said she made
out the check to a "John Montgom-
ery."**LEMON JUICE****FOR FRECKLES**Girls! Make beauty lotion for

Aug. 8th, at 9 O'clock**

Salesmen On Grounds

Read and Remember These Facts:

1. That only 500 lots will be sold on these terms and prices.
2. That there is no interest to pay on deferred payments for two years.
3. That there are no notes to sign.
4. That no lots are sold to anyone except white people.
5. That \$1.00 down and then \$1.00 a week secures a lot.
6. That it is not necessary to finish payment for a lot before burial is permitted. Burial will be permitted when \$25 has been paid.
7. That a 10 per cent. discount is given for cash payments over \$10.00.
8. That you can pay for your lot as fast as you desire.
9. That there is a lot of satisfaction in owning a burial plot.
10. That Graceland Cemetery will have PERPETUAL CARE.
11. That \$100,000.00 will be deposited in Trust, the income from which is to be used in taking care of the Cemetery for all time.
12. That ample—but not unreasonable—restrictions have been and will be provided for the benefit of lot owners.
13. That deed will be issued upon full payment for lot.
14. That a Cemetery lot is something that we cannot borrow from a friend, nor rent, but must be purchased sooner or later.
15. That we do not know of a similar opportunity ever being offered to the public, of being able to buy a Cemetery lot on the \$1.00 down and \$1.00 a week plan.
16. That lots sold during this sale are very moderately priced—in fact, at "before-the-war" prices.

POTATO PRICE GOING LOWER

Tomatoes Also Cheaper; No New Produce.

Encouraging indeed is the drop in the price of potatoes which has been made within the last few weeks. This week potatoes are being sold by local retailers for six cents a pound and 85 and 90 cents a peck. Tomatoes also have shown a tendency to lower in price. They sell for ten to fifteen cents a pound and \$2.00 a bushel basket.

Although in different sections of the country there is the report that sugar is being lowered, there has been no change in the local situation, sugar still selling for 25 and 26 cents per pound.

NOTHING NEW

There's nothing new in this week's offerings. One dealer expected for Saturday one hundred crates of blackberries to sell at 25 cents per box, and a few currants at 25 cents

a box and cherries at 25 cents, are offered.

Green corn has dropped to 25 cents per dozen ears but little is offered and that which is brought in is of poor quality. Eggs have advanced in price, being 53 and 55 cents per dozen. Sweet potatoes have been in the markets for a week or more at fifteen cents a pound. They are large and of good quality.

LARGE WATERMELONS

The watermelons being received now are very large. They sell for three and one-half cents a pound. One sent out to a customer a few days ago weighed fifty-one pounds. New cucumbers are being brought in from the country and sell for five cents each. It will soon be time to make pickles if all the cucumbers are not used by the city.

In the fish market halibut and white fish are selling for thirty cents a pound and buffalo, carp, ciscoes and yellow perch for twenty cents.

QUOTATIONS

The quotations for this week are as follows:

FLOUR

We have just taken the exclusive agency for two of the best flours on the market. Ardee Brand is familiar to many housewives in this city as it has been handled locally for some time. Made from northern hard wheat by one of the best mills in the country, it will produce more loaves of good bread per sack than almost any flour sold. We absolutely guarantee it to be as fine in quality as any flour the market affords.

DIAMOND BRAND FLOUR

While it has not been sold locally it has been sold in some of the towns which we make within a radius of 30 miles of Decatur and our boys who have been selling this flour for the last week report that wherever it is known, it is only necessary to mention the name to secure an order.

For pie and cake baking, this flour is unequalled as it is made from Kansas Soft Wheat and it will also produce good bread but it is not as good a flour for bread as the Ardee and will not produce as many loaves per sack. We absolutely guarantee satisfaction with it, however, regardless of for what purpose used.

ARDEE	DIAMOND
48 Lb. Sack \$3.95	48 Lb. Sack \$3.75
24 Lb. Sack \$2.00	24 Lb. Sack \$1.90

POTATOES

We have been having splendid success with the Virginia Cobbler Potatoes received last week. They are so much superior in quality because of being much dryer, cleaner and smoother than home grown stock, that customers who bought pecks are coming back for more with the statement in many cases, that they never have seen finer potatoes. Our first car will be entirely gone before this ad appears and it is only a matter of another week until the second car has likewise gone into consumption. If you want real first class stock, pure white meat, close grained and fine flavored, let us have your order for whatever quantity you can use within the next 30 to 60 days.

The crop of early potatoes in this locality was very light and the long continued dry weather makes the possibility of a large late crop entirely out of the question. While we do not advise storing these potatoes for winter, we are confident that they will keep for sixty days, in perfect condition, and we know the bottom of the market has been reached. Our advice is BUY NOW.

Barrel \$9.00—Bushel \$3.60—Half Bushel \$1.80—Peck 90c

PET MILK

The number of wise buyers surprised us last week. The average person certainly recognizes a bargain when they see it judging from the amount of milk we moved last week. Were we to buy this milk today, it would cost us \$1.00 per case more than we are asking you for it and we are advised through sources which we consider fairly reliable, that a flat advance of 50c per case will take effect before the middle of this month in addition to a sufficient amount to cover the advance in freight rates just granted. We cannot too strongly urge you to BUY MILK at present prices.

Something Different

Valier's Enterprise Flour bakes delicious, wholesome things with a flavor that cannot be bought—things that express your own individuality and give your luncheons character. It can always be relied upon, and produces results impossible to obtain with flour of less exceptional quality.

Valier's Enterprise Flour

is milled slowly from the finest hard winter wheat grown—wheat rich in gluten and fully matured. It retains all the baking qualities of that exceptional grain and is ground to remarkable fineness.

Of course such flour costs slightly more in the sack, but it costs less on the table. There are more loaves per sack.

Call up your grocer today. He carries Valier's Enterprise Flour.

TWO CAMPING PARTIES ATTRACT

Excellent Equipment One of Big Features.

Two interesting camping parties attract the attention of visitors in

Fairview park this week. One is a party of tourists and the other members of a Decatur family who are spending their vacation in this rather unusual way.

DECATUR FAMILY

Mr. and Mrs. V. E. Crain of 519 North College street, have pitched a white tent in a pretty spot on the west side of the park and with one of their sons, are enjoying a pleasant vacation there. Another son, who is at the Boy Scout camp, will join them later and their stay in the park will

be an indefinite one. A croquet set, a hammock under the trees, comfortable cots and cushions and a conveniently arranged camp equipment is affording the family much pleasure.

The father works during the day and enjoys the outdoor life in the evening. Mrs. Crain is relieved of the housekeeping and the boys find something to do every minute of the day.

FROM TOLEDO

The other camping party is made up of Mr. and Mrs. H. W. Shuck and Mr. and Mrs. R. B. Cable and little daughter from Toledo, Ohio. These young people started out in April this year, first going to New York state. Now they are headed toward the western coast and hope to reach there before cold weather. The man earns money on the trip by painting initials on automobiles and lettering on trucks. The party reached Decatur Wednesday and probably will remain until Monday.

Their camp is most attractive, set off in a shady nook in the southwest part of the park. Visitors are greatly interested in their novel and comfortable camping equipment. A trailer, attached to their automobile can be set up in about ten minutes to make a comfortable little home. The room is up off the ground and has screened doors.

MUCH EQUIPMENT

On each side are full sized beds. A kitchen table lets down in the center and on either side of it are long benches to sit on. There are five or six shelves in the room and a gasoline lantern furnishes a light as bright as an electric light. Cooking is done on a gasoline stove, which usually sets outside. An ice box is carried inside the room. Whenever the room is too cold, the stove is set inside and the oven lighted, soon making the room warm. The party carries an extra tent which it uses as a wash tent and the women do all their laundry work. An extra cot, three trunks and a graphophone and records are carried.

Canvas flaps can be let down over the screened doors and over the ventilators in the top, in case of rain. The party has practically every convenience of a modern home and all the members are enjoying the outdoor life.

MANY PICNICS IN FAIRVIEW PARK

Thursday Half Holiday Sends Many on Outing.

The Thursday half-holiday, as usual, filled Fairview park with picnic parties. In addition there were groups of children in the wading pool, boys played ball and the tennis courts were used.

Two of the biggest picnic parties were the Trinity Methodist church annual picnic and the annual outing of the W. M. A. of the First United Brethren church. A hundred or more attended each of these affairs. The Methodist folks had games and races and a picnic supper was served. In the afternoon the W. M. A. had its regular business meeting and in the evening families of the members came out for supper. Bouquets of golden rod and other flowers decorated the tables.

OREANA BAPTIST WOMEN.

Twenty-three persons enjoyed the all day picnic of the Oreana Baptist church ladies' aid society. A fine dinner was served and the afternoon was passed socially.

Mrs. L. O. Bricker and Mrs. L. C. Green were hostesses to members of the White Rose Club, L. A. to the B. of R. T. About twenty-five attended and a picnic supper was served.

THE BOSS SAYS-- 'EMPTY THE SHELVES'

This famous slogan of the Hirsch Co. for the annual August Sale has become a household word throughout Decatur and Macon County. How much it means to the buying public is evidenced by the tremendous crowds which are always attracted to the Hirsch Co. store when this big money saving event is announced.

The wonderful values offered in this sale which opened this morning are such as to insure moving out all remaining summer stocks in record time. Fall merchandise is coming in thick and fast, and space for it is much more valuable than the summer merchandise still on hand.

The big story of this sale was told in Wednesday's Review, and how much it impressed the buying public is apparent in the big crowds which have thronged the Hirsch store all day today. In the big rush to secure the wonderful "Empty the Shelves" bargains, many people were unable to be promptly served today. The Hirsch Co. hopes that these people will fully understand the impossibility of rendering their usual good service under such abnormal conditions, and assures them that extra provisions have been made for waiting on them during the rest of the sale.

Hundreds of new bargains will be presented tomorrow, and folks who failed to take advantage of the sale on its first day should by all means avail themselves of the big values on Saturday.—Adv.

PYTHIAN HOME FOLK ON WAY TO DIXON

Sept. Hatch and Several Children Motor Up—Others Go By Train.

Superintendent Clifton Hatch of the Pythian home and an auto load of the children, who are to take part in the program of the Dixon chautauqua Friday night and Saturday, are on their way to Dixon in Mr. Hatch's car. The rest of the party, in company with Mrs. Hatch and Miss Winifred McInturn, left at noon Friday via the Illinois Central for Dixon.

Besides the programs which the children are to give at the chautauqua Saturday afternoon and evening, the quartet will appear on the Friday night program.

They expect to return to Decatur Sunday, those coming by train arriving at 1 o'clock in the afternoon. Miss McInturn expects to go from Dixon to Chicago before returning to Decatur.

BIG PICNIC TO BE HELD SATURDAY

Morganville Outing to Attract Thousands.

One of the oldest and largest country picnics of Illinois, the thirty-third annual Morganville picnic, will be held Saturday in Morgan's grove near Okaucheeville and a few miles southwest of Boody. With the weather fair, the attendance undoubtedly will reach several thousand, many going from Decatur and all over Central Illinois.

The program will be just as previously announced in The Review and undoubtedly many politicians will also be on hand to make little side speeches. Among the scheduled speakers are J. J. Bullington, E. H. Hayes and Mr. Greer of Taylorville, Attorney F. M. Gullm of Vandalia and Rev. W. R. Mahns of Blue Mound.

Music will be furnished during the day by the Nautic band and the Pawnee Four quartet and Art Kramer.

of Decatur will furnish a number of vaudeville sketches. The C. L. and W. morning trains will as usual, make a special stop at the road crossing close to the picnic grounds.

ALL TRAVELERS DUST COVERED

Motorists Say Conditions Almost Unbearable at Present.

"We cannot tell whether they are colored or white folks when they come up to the counter," said a Decatur hotel man in speaking about the many motor tourists who are stopping at the hotels here at this season of the year.

"The dust is so very bad that travelers come in completely coated. The first thing they ask for is a room with a bath. In all directions from Decatur the dust has been almost unbearable, the travelers say."

ATTEND WALTHER LEAGUE RALLY

Decatur Young People Plan Trip To Peoria September 5.

The annual rally of Walther Leagues, which will be held in Peoria Sept.

5 and 6, will be attended by between fifty and one hundred young people of St. Johannes church. Harry Nalecki has been appointed to make arrangements for the trip and the league ball club is planning a game there.

The young people of St. Paul's church and St. Johannes church will have an outdoor meeting next Wednesday in Fairview park under the auspices of the Walther League. A movement is underway in St. Johannes church to establish a library for the children of the St. Johannes school, which will have 1-700 volumes. The plan is to give the children good reading matter and will be under the direction of the school principal.

Henry Polz and Edward Kersch, the committee, will confer with R. Lorenz about the details.

Sunday August 23, the society will have an outing, the details to be arranged some time later.

FEED NERVES PLENTY OF PHOSPHATE IN SUMMER

Keen Minded Men, Energetic and Successful
Rely on It Asserts Prominent N. Y. Physician.

Man and woman, nervous and fatigued, usually upset and often fatigued, need plenty of organic phosphate; and the sooner they heed this advice the better their health will be.

In every one of the millions of cells that make up your body, phosphorus is a most important part.

Your nervous system, your brain, your blood and even your bones must have a sufficient supply of phosphorus or nervousness, nervousness and a general run-down condition, as well as lack of normal mental power is sure to result.

Big men of affairs—mighty men who control industries because of sheer will power and nervous force, know this, or if they don't are clever enough to have a physician who does.

Physicians more and more are realizing that Bitro-Phosphate, as dispensed by Decatur Drug Co., and all good drug stores, is a necessity to over forty per cent of men and women, because pressure of life does not contain enough phosphate to give the body and especially the nervous system the supply it needs.

Speaking on this very subject, Dr. Frederick S. Kelle, Editor-in-Chief of Physicians' "Who's Who," and a nationally known author of medical text books in a most emphatic statement said:

"If I had my way, Bitro-Phosphate should be prescribed by every doctor and used in every hospital."

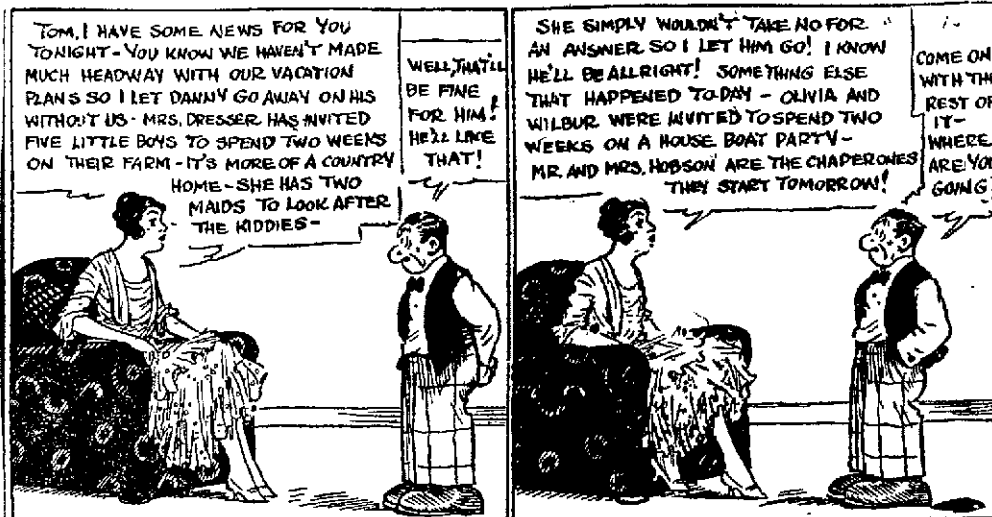

Later, Dr. Kelle, said: "When the nerve tissue begins to lose its vitality, woman begins to lose her youth and vivaciousness. Her lively pleasant disposition fades away—she becomes irritable, uncompanionable, moody and despondent. It would indeed be a godsend if more men and women were aware of the efficacy of Bitro-Phosphate."

Hot weather is dreaded by men and women who are weak, thin, nervous and lacking in vigorous development because it saps their vitality almost to the breaking point.

To all such people Bitro-Phosphate is recommended because it is the one organic phosphate which, when absorbed by the system, will supply the element necessary for a vigorous, healthy body free from any suggestion of weakness or disorder of nerves.

Your druggist has Bitro-Phosphate in the original package with complete instructions for best results.

DOINGS OF THE DUFFS—

ROB MAN OF \$80 AND TICKET HOME

Frederick Hydran, Sr., Victim of Pickpocket On Car.

Mr. Hydran was relieved of \$80 and his ticket to Edwardsville by a pickpocket at the interurban station about 7:10 o'clock Thursday evening.

There was a crowd waiting to take that car and as Mr. Hydran mounted the steps the thief put his arms around him and held him while he slipped his hand into Mr. Hydran's right hand trousers pocket and got the purse containing the money and ticket. Then he gave Mr. Hydran a shove into the car and lost himself in the crowd.

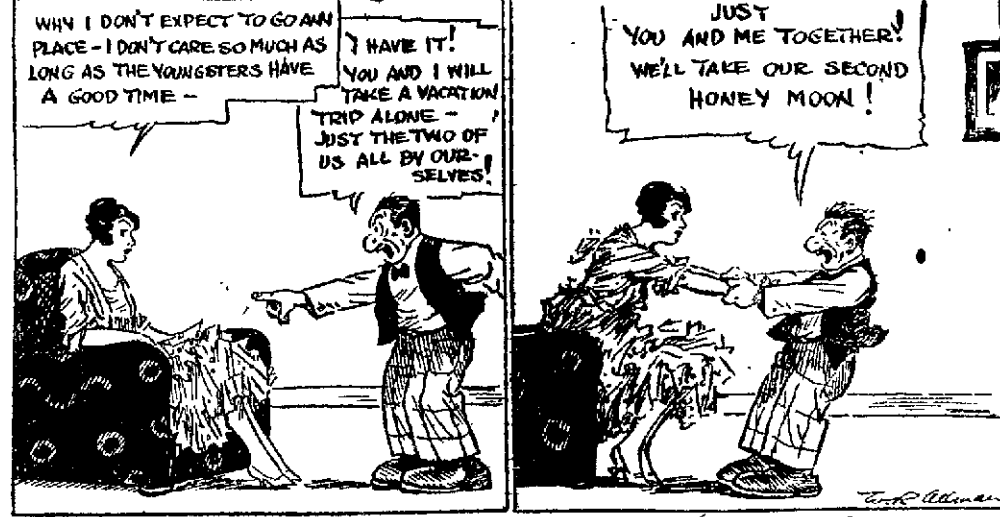

Mr. Hydran finally made his way through the car to the conductor, and the police were called to the station, the car being held about fifteen minutes while the officers investigated. The conductor said no one had left the car. A woman who saw the thief at work was unable to give any description of him or identify any one then in the car as the robber. Mr. Hydran wanted everybody on the car searched, but without a warrant the police could not do that.

RABBIT LEAGUE PLANNING SHOW

Hope to Have Lawn Exhibit in Central Park Sept. 4.

Members of the Decatur Breeders' and Fanciers' Association are planning to hold a lawn show and hope to have it in Central park on Saturday, Sept. 4. Each member is to be permitted to enter two exhibits. It is hoped to secure Judge Gibson of Detroit to judge the show. First and second prizes will be awarded in each class. The association will have a meeting in the county court room next Wednesday night to complete plans.

Lieut. Colonel J. J. Bullington to Speak At Morganville Picnic

The annual Morganville Picnic will be held Saturday, August 7th, and a great crowd is expected to be present. One of the speakers of the day will be Lieut. Col. J. J. Bullington, of Taylorville, who saw active service in France, on many battlefields. He is now a candidate for States Attorney of Christian County, on the Democratic ticket.—Adv.

PINES COMPANY SHORT OF CANS

Did Not Receive Full Shipment of Order Last Spring.

The Pines Product company have canned four hundred quarts of tomatoes this week. Owing to a shortage of tin cans, they have been forced to sell part of the tomatoes to the retail stores. Last spring they ordered several car loads of tin cans, but they have never been able to get all that they have ordered. They are going to try to use glass cans for the local trade. If they are successful with glass cans it will be a big help with the peach crop, which promises to be quite large. When the plant is running at full capacity they can one hundred bushels a day.

MRS. BOYD FUNERAL SATURDAY P. M.

Illionopolis, Aug. 6.—The funeral of Mrs. Ellen Boyd of Illionopolis will be held Saturday afternoon at 2:30 o'clock at the Illionopolis Christian church. Rev. B. H. Seacock of Vandalia, Mo., officiating. Interment will be in Riverside cemetery.

BEMENT.

C. H. Ball and family who motored to Ashville, N. C., have written of some of their experiences in crossing the mountains. In ascending Gaviy mountain the family had to walk. Mr. Ball succeeded in taking the car almost to the top, but had to have the help of a yoke of oxen to finish the ascent. The trip to Ashville was expected to be made in a week.

The Platt Farm Supply Company has rented the Sprague building recently vacated by Mrs. Perryman. They will move from their temporary quarters at the Bement Manufacturing Company's garage Saturday. Two cars and Sampson truck will be shown.

The banks are to be closed on Thursday afternoons in August.

WAR TALK STILL BOOSTS MARKET

Chicago, Aug. 6.—Sharp new ad-

ance in the price of wheat resulted today from continued anxiety over the likelihood of war between Great Britain and Russia. Prolonged dry weather in the corn belt, threatening serious crop damage tended further to intensify bullish sentiment. Or

On the other hand, reiterated assertions that the British Royal commission was still out of the market as a buyer of wheat had no apparent influence as a check on the upturn in values. Opening prices, which ranged from 2½ to 5½ cents higher with

December \$2.48 to \$2.45 and March 1946 to \$2.47½, were followed by additional gains for December. Subsequently, the tenor of foreign news was construed as favorable to an armistice, and there was a quick setback in prices. The close was

Bulls in corn made much of the fact, aside from the war scare and the unsatisfactory crop outlook, that daily receipts of corn were less than current requirements. After opening at 5 1/4c, 2 1/2c higher, including So-

ORDER CO. H. TO WEST FRANKFORT

Major in Charge Tells Adjutant General Dickson Situation is Critical.

Co. H, Tenth Infantry, 1. N. G. of Decatur under command of Captain L. J. Cline has been ordered to enter at once for West Frankfort, Ill., to assist in combating the riot there following the arrest of an Italian accused of murdering two young men whose bodies were found a few hours later.

At 2:30 this afternoon when the Associated Press carried the announcement that Co. H had been ordered out, Capt. Cline nor Lieut. Arthur Wilson could not be reached.

ASKS MORE TROOPS

Although West Frankfort was quiet today after a night of wild rioting, Major Wilbur Satterfield, in charge of militiamen there, this afternoon telegraphed Adjutant General Dickson for 500 additional troops. Major Satterfield expressed the belief that the rioting might be renewed at any moment.

More than 200 militiamen, members of five companies of the Ninth Illinois Infantry are on duty there, but Major Satterfield expressed the opinion that this number would be insufficient to quell the lawlessness, should it recur.

The five national guard companies represented by the Company B, of McLeansboro, Company L, of Salem, Company K, of Mount Vernon, and Company D, and the supply company from Cairo.

SITUATION CRITICAL.

"The situation is critical," Major Satterfield wired, "all telegraph and telephone wires have been cut. Send five hundred more men."

This dispatch was sent out of Johnston City. Its receipt was followed immediately by orders from General Dickson to eight companies of the Tenth Infantry, 1. N. G., and four of the Seventh Regiment, 1. N. G., to enter for West Frankfort as soon as possible.

TRACER TO COMMAND

Colonel O. P. Yeager will command the Tenth and Major Lyle Russell, Peoria, the Seventh reserve. The companies ordered out are as follows: Tenth supply company, under Captain B. S. Snider, Champaign. Company A, Captain O. K. Yeager, Danville. Company B, Captain A. J. Hendricks, Champaign. Company C, Captain J. W. Speelman, Lincoln. Machine gun platoon, First Lieut. E. G. Smith, Lincoln. Company E, Captain Ralph Lusk, Quincy. Company F, Captain Timothy Biggar, Peoria. Company H, Captain L. J. Cline, Decatur. Seventh Reserve Company F, Captain J. H. Holtman, Peoria. Company G, Captain George B. Treddwell, Peoria. Company I, Captain J. E. Mathis, Peoria. Company H, Captain J. C. Page, Peoria. Captain Charles W. Numan will go as regimental adjutant of the Tenth.

MANY MORE FILE TAX SCHEDULES

Voluntary Movement Gaining Headway.

More schedules of personal property assessments were turned in to the Association of Commerce office Friday and a very fair percentage of the 270 reports sent out by the tax committee asking this voluntary increase in personal property returns are now in the hands of the association.

This movement is being voluntarily undertaken by a group of men for the benefit of the city of Decatur by increasing its revenues and any fear by any one who files his schedule that it will be filed unless a large per cent of those asked to do so file theirs is groundless.

MOVEMENT GROWING

Voluntary increases ranging as high as \$30,000 have been made by manufacturers and wholesalers and the movement to help out the city and school funds is growing.

As the time for checking over the schedules is short, since the books of the board of review are to be closed next Tuesday, the members of the tax committee are urging all to make their returns as quickly as possible and not to wait to see what others have done.

FILE AT ONCE

"It will help the committee, as well as the city, if the schedules are filed immediately," said J. R. Holmes, secretary of the association Friday.

"More are coming in every day but as our time is getting short we would like to have all in as quickly as possible."

DOLLAR A DOZEN EGGS PREDICTED

Springfield, Aug. 6.—Eggs at a dollar a dozen.

This is the baleful prediction of poultrymen here for next winter. They say last winter eggs went to ninety cents a dozen and that there is less storage eggs now than there was at this time a year ago. Besides, the season has been bad for hatching and there will be less eggs for storage, all of which, they believe, will mean dollar a dozen eggs next winter.

He Left Her
Miss Fortynod awoke in the middle of the night to find a burglar ransacking her effects. Miss Fortynod did not scream, for she prized herself, among other things upon her courage. Pointing to the door with a dramatic gesture, she exclaimed: "Leave me at once!"

The burglar politely retreated a step and said: "I had no intention of taking you!"

DEMOCRATS FILE ON FINAL DAY

Expect to Have Complete County Ticket.

MYERS FOR CORONER

Doyle, Washburn and Tucker Mentioned.

The Democrats seemed to wake up Friday and take interest in filling the county ticket. Dr. N. B. Myers filed his petition as a Democratic candidate for coroner. It is probable that three more names will be handed in by evening. They are Howard Doyle for state's attorney, Fritz L. Washburn for county surveyor and Cyrus J. Tucker for circuit clerk.

The Democrats went up to the final day without filing although it was said a county ticket would be provided.

MISS MARGIE SAFAR WEDS J. S. RODJE

Wedding Took Place Wednesday Afternoon in Chicago

Miss Rose Safar, assistant superintendent of the Decatur and Macon county hospital, has just returned from Chicago where she attended the wedding of her sister, Miss Margie Safar.

Miss Margie Safar and James S. Rodje, Jr., of Chicago were married Wednesday afternoon in the home of the bridegroom, Rev. W. E. Shaw, Christian minister, performing the rite ceremony. Miss Rose Safar was maid of honor and Walter Rodje, brother of the bridegroom, was best man. About forty guests were present.

Mrs. Brodie formerly lived in Decatur. She attended the Decatur High school and later was employed at the Washburn for two and one-half years. She has made her home in Chicago for the last four years. Mr. Brodie formerly was auditor for the Standard Trust and Savings company, Chicago, but now is auditor for the American State Bank in Detroit, where the couple have gone to live.

VERNER-SHREAR.

Everett B. Verner of Decatur and Miss Edna Shrear of Warrensburg were issued a marriage license in Chicago Friday.

DEMOND-HOLT.

Miss Louella Demond of Catalina, Islands, and Clarence E. Holt of Alhambra, Cal., both formerly of Decatur, were married July 24. Miss Demond was quite an active worker in the First Methodist church. The Demond family moved to Catalina a year ago.

BIGGS-MITCHELL.

News has just been received here of the wedding of Miss Ruby Biggs and Ray Mitchell, both formerly of Decatur, which took place in Cincinnati Saturday, July 31. The couple have gone to housekeeping at 124 East Ninth street, Cincinnati.

The bride is the daughter of Mrs. Ben Constock of Cincinnati and recently of Decatur. Mr. Mitchell is the son of Mr. and Mrs. C. H. Mitchell living three miles southwest of Decatur. For about seven months he has been employed in a factory in Cincinnati as machinist. He formerly worked for the Washburn here. Both young people had just been to Decatur for a visit.

577 HUNTING LICENSES ISSUED

Squirrels Only Game in Season Now.

A total of 577 hunting licenses have been issued since June in Macon county. City Clerk Roy B. Zeigler has issued 303, and County Clerk C. H. Patterson has issued 274.

Squirrels are the only game that can be legally killed now. Doves will come in Sept. 1. Snipe, plover, ducks and geese can be killed Sept. 15, prairie chickens on Oct. 20, rabbits on Nov. 1, and quails on Nov. 10.

"DIRT CHEAP" LOSES MEANING IN GARY

Gary, Ind., Aug. 6.—"Dirt cheap" has long lost its meaning in Gary, where the cost of covering the native sand with soil is estimated to date at \$1,000,000? When home building started in Gary around 1906 and 1907, the cactus flourished. It has taken a mountain of dirt to drown out the sand and to make the parks, lawns and occasional gardens of today's city.

Approximately 500,000 cubic yards of earth have been brought in here, according to recent estimates. Lowlands adjacent to the city have contributed generously but for years it has been necessary to cross the Illinois state line to bring in dirt by rail from Joliet and Plainfield.

The price of dirt is an item seriously considered by the prospective home builder here. Black loam has risen to \$3 a cubic yard and the average cost of surfacing a lot is around \$200.

Sometimes a poor batch of material has been brought in from marshes and spread over thin by an economical householder, to find that in the hot summer suns his front yard is burning up. The fire department has been called out on more than one occasion to put out a fire in a man's dirt.

HALLADAY COMPANY TO ERECT FACTORY

New Concern Here Manufacturers Shock Absorbers for Autos.

The Halladay Manufacturing Co., which came to Decatur only recently and established a temporary factory on the second floor of the New England Bakery building, has bought a factory site 660 by 218 feet in size running along the C. & W. railroad just across the track from the western part of the grounds of the Decatur Bridge Co. The ground was bought from E. G. Allen.

The tract has a fine railroad and switching frontage, is a half block from East Eldorado street and runs from North Third street nearly to North Fifth street.

TO BUILD FACTORY

On this tract Mr. Halladay announced Friday the company plans to begin at once the erection of a modern steel and concrete factory building, 400 feet long by eighty feet wide, lighted and fitted up on the most modern factory plan.

The Halladay Manufacturing Co., is a concern which was only recently induced to locate in Decatur. It has now a large factory at Streator, Ill., where it is manufacturing automobile specialties, one of the biggest items being shock absorbers for Ford cars.

ARREST FIREMEN FOLLOWING FIGHT

Trouble Starts Over Auto Without License.

Robert Lunsford, city fireman, 1021 North Morgan street, was arrested by Officers Park and Abrams Thursday night, and Chester Osborn, another fireman, was arrested by Officers Ray and Abrams, on warrants sworn out by Deputy Sheriff E. C. Haskell. Lunsford is charged with operating an automobile without a state license and with assaulting an officer, and Osborn is charged with assault.

ATTEMPT ARREST

The trouble started Thursday night when Deputies Haskell and John W. Boggs started to arrest Lunsford near the township line road north of the city. It is said that Lunsford thought the men were just "kidding" him, and he got angry when they insisted that he accompany them to the court house. Instead he drove to No. 3 fire house and called on Osborn for help. Osborn only knew that one of his mates was asking for assistance and without waiting to learn the details he waded into Boggs.

In the mean time Lunsford and Haskell were having a lively set-to. Boggs came out with a dislocated shoulder and Haskell lost his badge and flash light in the scuffle. Then the officers went to police headquarters and warrants were sworn out and the county physician put Mr. Boggs' shoulder back in place. Lunsford was arrested at No. 1 fire house and Osborn at No. 3 firehouse. Mayor Borchers, Commissioner Mattes and Sheriff Penwell were all called to the court house on account of the trouble, and it is not known just where it will end. The two firemen gave bond in the sum of \$200 each to appear before Justice Noble at 1 o'clock Monday afternoon, Aug. 16.

ISSUE CITY WARRANTS

Mayor Borchers insisted that city warrants should be sworn out for Lunsford and Osborn Friday morning for fighting, and this was done, and each gave bond in the sum of \$100 to appear before Justice Noble at 1 o'clock Monday afternoon, Aug. 16.

"City employees should not be shown any greater favors in such matters than are shown any other citizen," said Mayor Borchers. "In fact they should expect less on account of the positions they hold. I know what would happen mighty quick if two men in my department should engage in an affair of that kind."

No one has a right to drive a car without a state license. Even the sheriff and the police are required to have licenses on their cars.

I. T. S. SHOWS BIG JUNE EARNINGS

Net Increased 11.20 Per Cent.

Reports of earnings of the Illinois Traction System for June show an increase in both net and gross earnings. The June gross was \$1,602,369, increase 19.47 per cent; net after taxes, \$337,511, increase 11.20 per cent.

DON'T DRIVE YOUR AUTO OVER A COW

Lincoln Courier-Herald: Take a tip from Ben Potter and don't drive your automobile over a cow. It is rough going, and hard on the cow.

Potter, driving a heavy car, struck a cow on the Lincoln-St. Paul road last night. The front wheels passed over the animal and the car was stalled with the cow underneath the car.

The cow, belonging to Sam Sparks, was badly crippled and will probably have to be killed.

MEETINGS.

J. M. U. GIRL KILLED IN AUTO ACCIDENT

Georgia Hazzard of Ridgefarm Victim.

HIT BY I. T. S. CAR

Miss Zua Hazzard, Sister, Badly Bruised.

Miss Georgia Hazzard, 13, daughter of Mr. and Mrs. Schuyler Hazzard of Yankee Point near Ridgefarm, Ill., and a student at the James Millikin University, died Wednesday at midnight in the office of Dr. F. H. Dice in Ridgefarm of injuries suffered an hour before, when a southbound traction car crashed into the automobile in which she was riding at Hester Lane crossing, a mile and a half north of Ridgefarm.

Other members of the automobile party were Mr. and Mrs. James Smith and 2-year-old child, and Miss Zua Hazzard, sister of the dead woman, all of the Yankee Point neighborhood six miles east of Ridgefarm. All were badly cut and bruised but not seriously injured.

ON WAY HOME

Members of the Smith family and the Misses Hazzard had attended chautauque in Ridgefarm Wednesday night and were enroute home. Mr. Smith was driving the motor car. They were headed east and the traction car was going south, running at a high rate of speed.

The automobile was struck near the rear and in the crash the auto was turned completely around and upset. The gasoline tank was torn loose and was found in an adjoining field about 30 feet from the scene of the wreck.

The injured were taken aboard the traction car and rushed to the office of Dr. Dice in Ridgefarm. The driver of the automobile said the motorcar was in no way to blame for the wreck; that he drove in front of the car and did not see it until it was right upon him. There is nothing to obstruct the view at this crossing and it is said a person can see a car approaching for a mile distant. The traction car was in charge of Harold Jagers, motorman, and H. P. Blair, conductor.

An inquest was held at 9 o'clock Friday morning at the Hazzard home. No funeral arrangements have been made.

Miss Hazzard was the youngest daughter of Mr. and Mrs. Schuyler Hazzard, pioneer settlers in the Yankee Point neighborhood. She was graduated from the Ridgefarm high school with the class of 1918. Only last week she returned from Charleston where she had been attending summer school. Had she lived she would have been a junior next year at the university here. Her sister, Zua, graduated this spring from the J. M. U.

Assumption Child Gnawed and Bruised Before Being Rescued.

SCRAPS OF NEWS

STEAL CHICKENS

Weasles and chicken thieves are doing their best to discourage John A. Brown of Warrensburg from trying to raise chickens. A few weeks ago fifteen of Mr. Brown's young chickens were killed by weasles, and Wednesday night a thief came along and stole four coops containing between forty and fifty young hens.

WHITE PINE LUMBER

White pine lumber constitutes almost all of the wood found in the old Morehouse residence which is now being wrecked. The house is on the fine lot at the corner of South Edward and West Macon streets and it has probably been there for fifty or more years. The tin is very heavy and the bricks are the old sand finish, hand-made kind.

SEWER WORKERS

The steady "cough, cough" which the residents of the southern part of the city hear each night is the engine working on the new sewer at the foot of South Sigel street.

WHEAT DOES WELL

The twelve acre field of spring wheat on the John Maxwell farm, northwest of Illinois yielded 31 bushels per acre.

Miss Annette VanDyke of the Decatur Musical college will leave next Tuesday for New York, where she will study until time for the opening of the college this fall.

AT I. O. O. F. MEET

William H. Price returned Thursday from Danville, where he attended a three days' session of the thirty-fifth annual convention of colored lodges of the Odd Fellows. There were fifty delegates present from this jurisdiction, which comprises the states of Illinois and Wisconsin. George T. Cursey of Chicago was elected grand master and William H. Price of Decatur was elected deputy grand master. The other officers remain the same.

RELEASE TONIGHT

St. Johannes choir will resume its weekly rehearsals tonight at 8 o'clock after discontinuing during the months of June and July.

SCOUTS SHOULD REGISTER

Only eight Boy Scouts have registered here for the fourth and last period at Camp Sangama, though it is probable that some of the Decatur boys already in camp will remain there for the last period. The local scout headquarters is sending letters out to all pastors in the city, asking their co-operation in getting scouts to go to camp. Registrations may be made up until 8 o'clock Monday night, Aug. 9.

ELECTION SATURDAY

The Forsyth consolidated High school district election will be held Saturday afternoon.

MULES STOLEN.

A perfectly matched team of bay horse mules, valued at \$800, was stolen from Mrs. A. S. Burr's farm near Bement some time Thursday night. A reward is offered for their return.

SAND RIDGE MELONS SOON

Water melons from the sandy country along the Illinois river will be in Decatur markets in about two weeks, says a man who sells them here and who has only recently returned from an inspection trip.

A large acreage has been planted but some good rains are needed to insure a large crop.

ROAD BUILDERS UNDER THE COAL STRIKE

The Illinois Division of Highways has just completed the 100th mile of the 460 miles on this season's road building program.

This mark was reached in the face of a threatened halt to road building work because of the coal strike. Of the one hundred miles of road contractors are at work at any one time there been 53, and when the coal strike came it dropped to 35.

Coal shortage added to previous lack in transportation for road materials stopped road builders' engines, cut down cement manufacturing, and delayed stone and gravel production.

Notwithstanding these adverse circumstances, Chief Highway Engineer Clifford C. Older said no other state approaches Illinois' completed mileage this year except Pennsylvania, which about equals it.

MOTOR CLUB NOW NEAR 500 MARK

Many Towns in County Represented on Roll.

Passing the 500 membership mark by the Decatur Motor club by Saturday night is now assured. In fact it is quite likely that the half thousand will be secured by Friday night as the register showed 483 members early Friday morning with many members being brought in during the day.

Blue Mound, Maroa, Argenta, Dalton City, Moweaqua, Illinois and other towns in addition to Decatur are now represented on the roll.

The officials of the club are pushing the campaign and they are having the hearty co-operation of the members.

INCIDENTALLY, HE GOT THE WEASEL

Windsor Gazette: Lawrence Carroll shot at a weasel in the barn Monday. The fellow was killed instantly but in the least part of the story. Several of the small shot went through the barn siding, crossed a space of perhaps seventy feet, entered a window near which Lawrence's mother, Mrs. M. P. Carroll, was sitting, and then fell into the room.

She came to town to consult a surgeon, but the shot were not located. Swearing in the town and the district covered no serious results are anticipated.

Albert Henderson's twelve-year-old son, who had been with him Monday while cranking the family car.

Mr. Wallace sustained his knee twice while working with automobiles but how he so severely knows. He has since been obliged to use a cane and sets around with difficulty.
